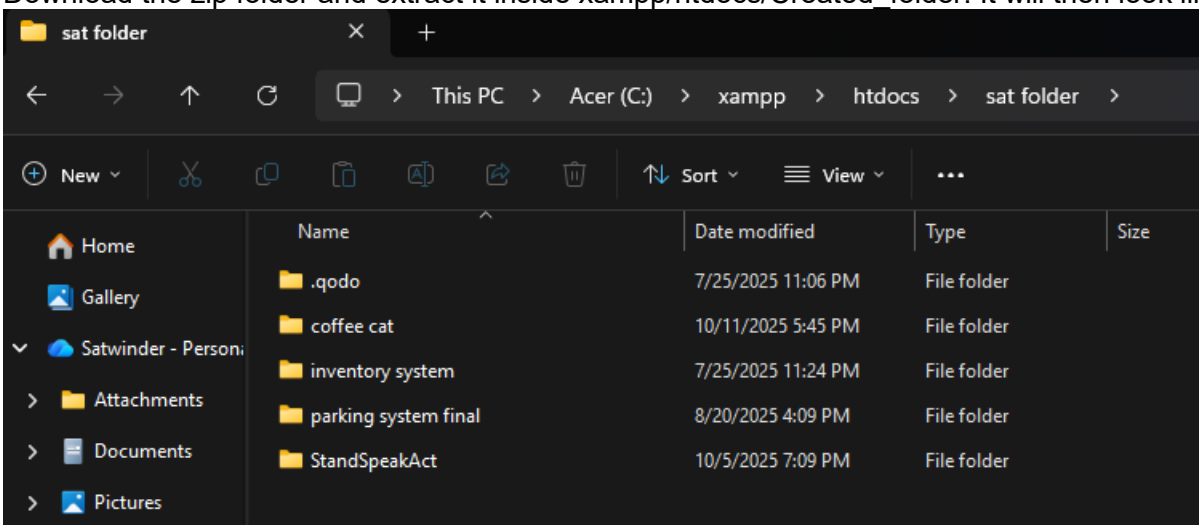
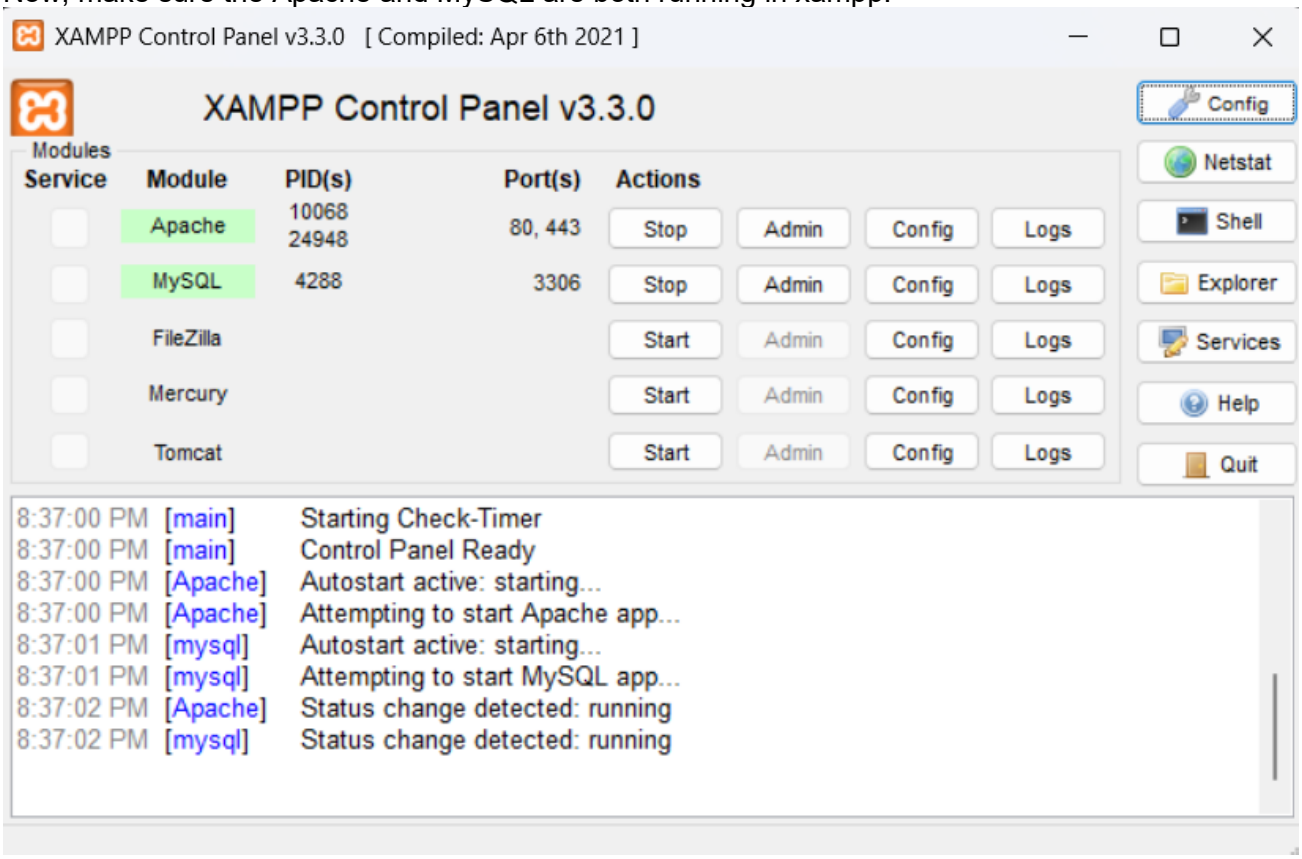
Admin_manual

Preparation
Download the zip folder and extract it inside xampp/htdocs/Created_folder. It will then look like this:



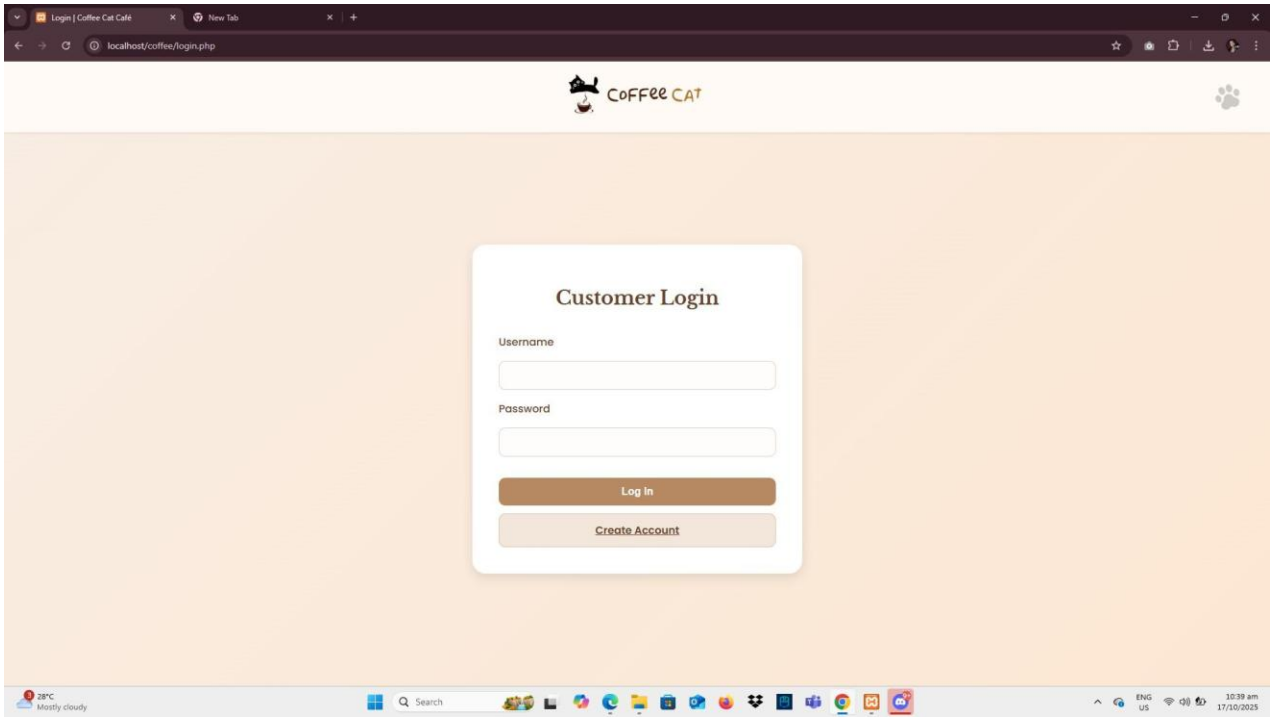
Now, make sure the Apache and MySQL are both running in xampp:



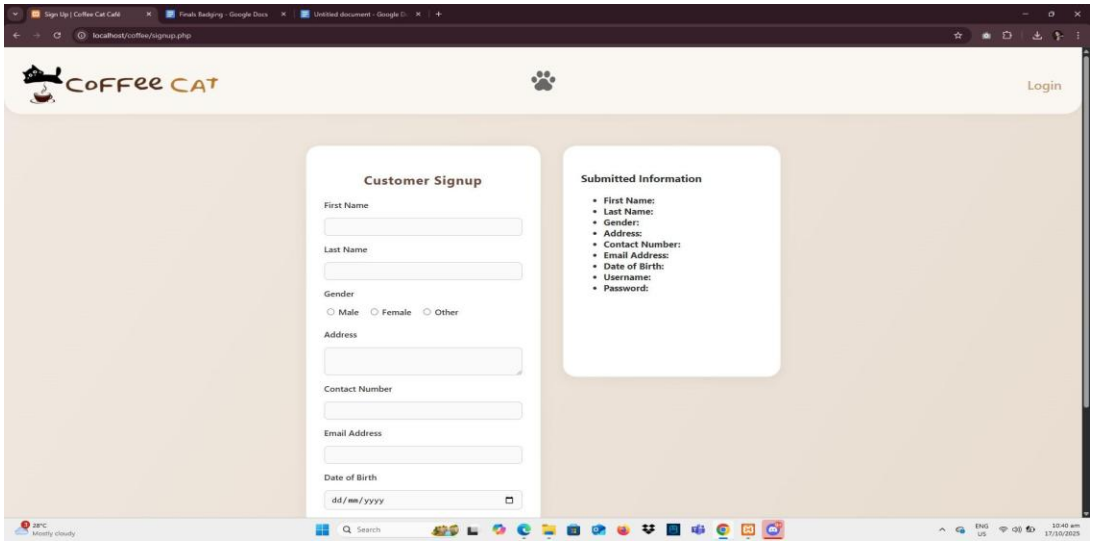
Now, search in your web browser “localhost/Created_folder/coffee cat” This will transport you to the login page. The user will not be able to go past the login page unless they sign up with a verified account first.

User_manual

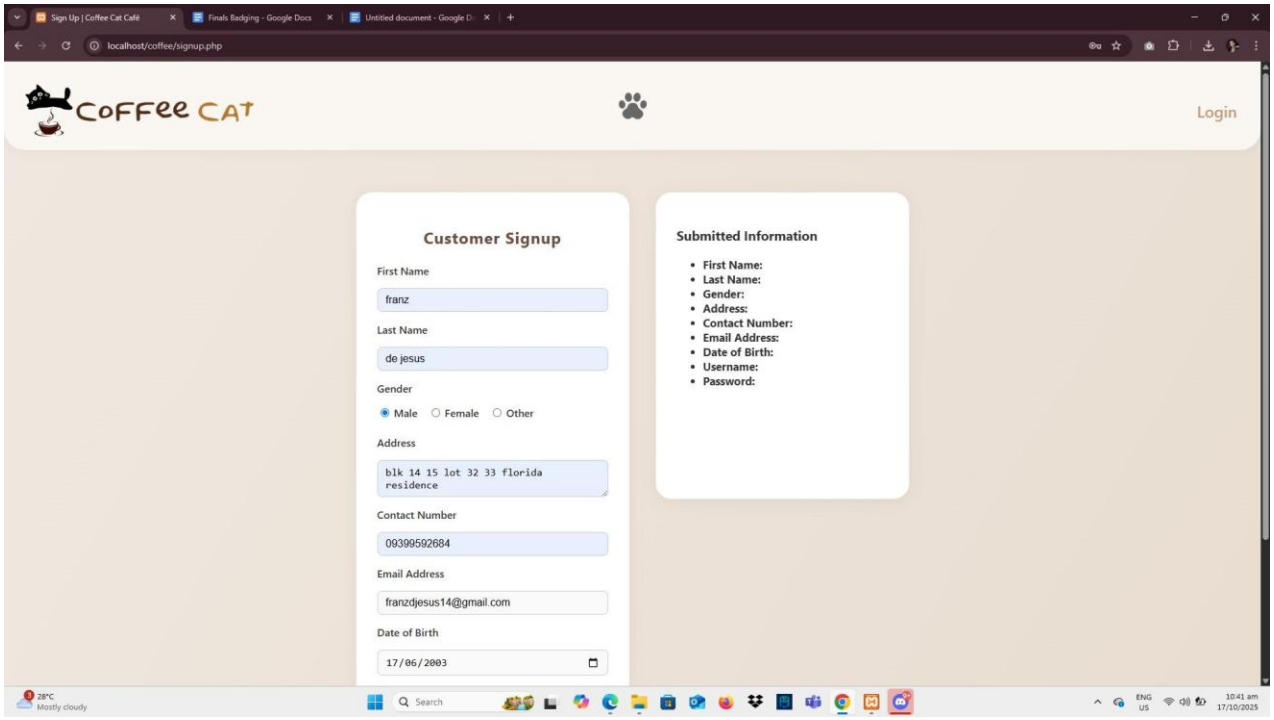
First, you need to log in to our website.

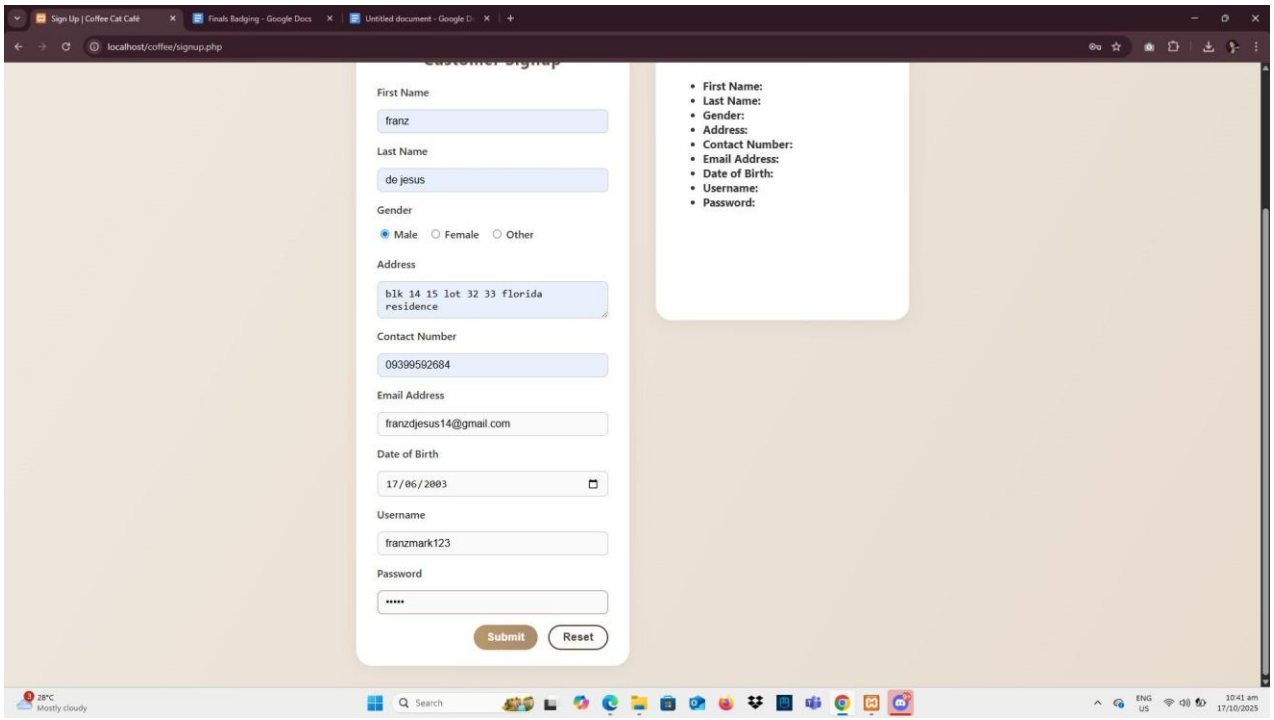


if you already have an account, simply log in. If you don’t, create one by clicking the “Create Account” button.

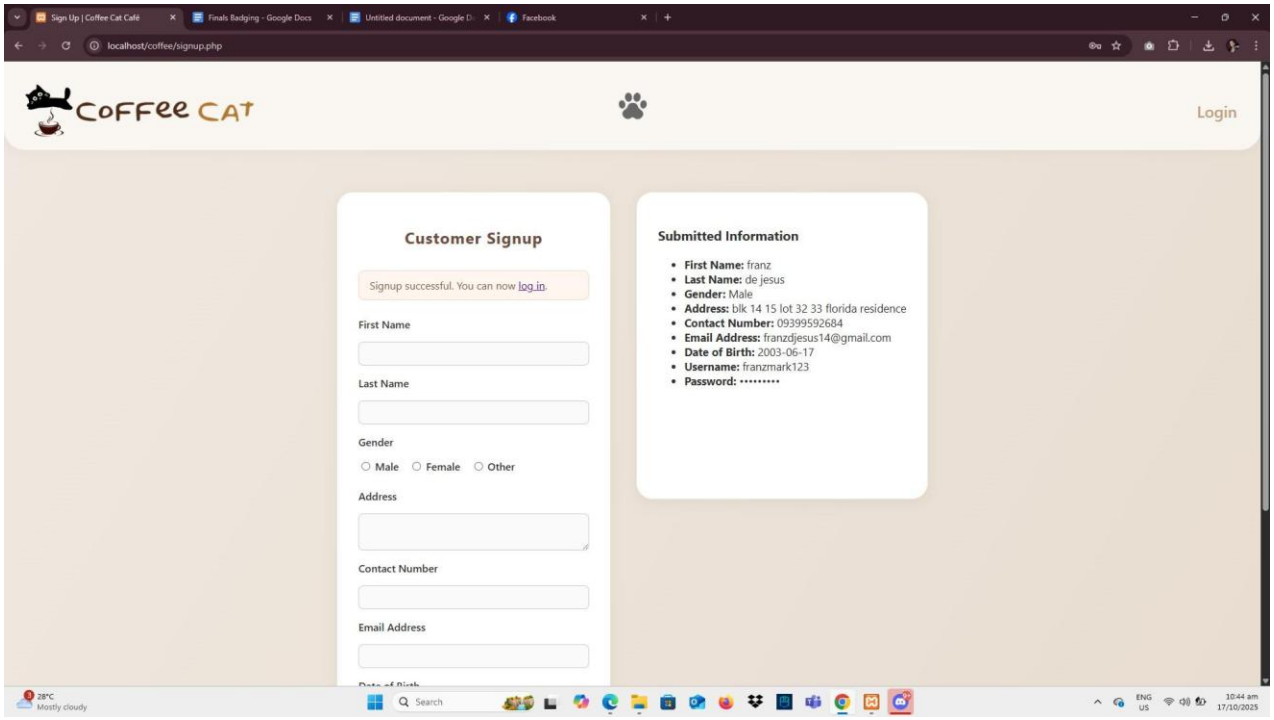


Fill in all the required information to create your account.

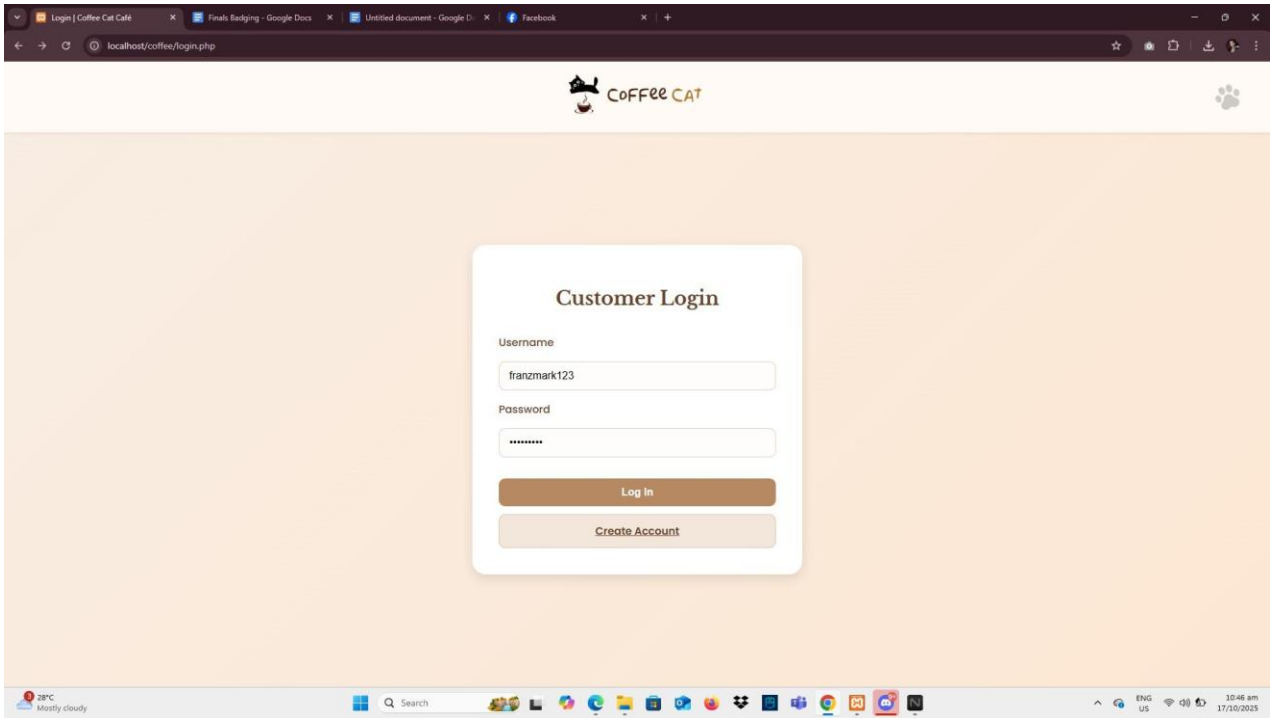




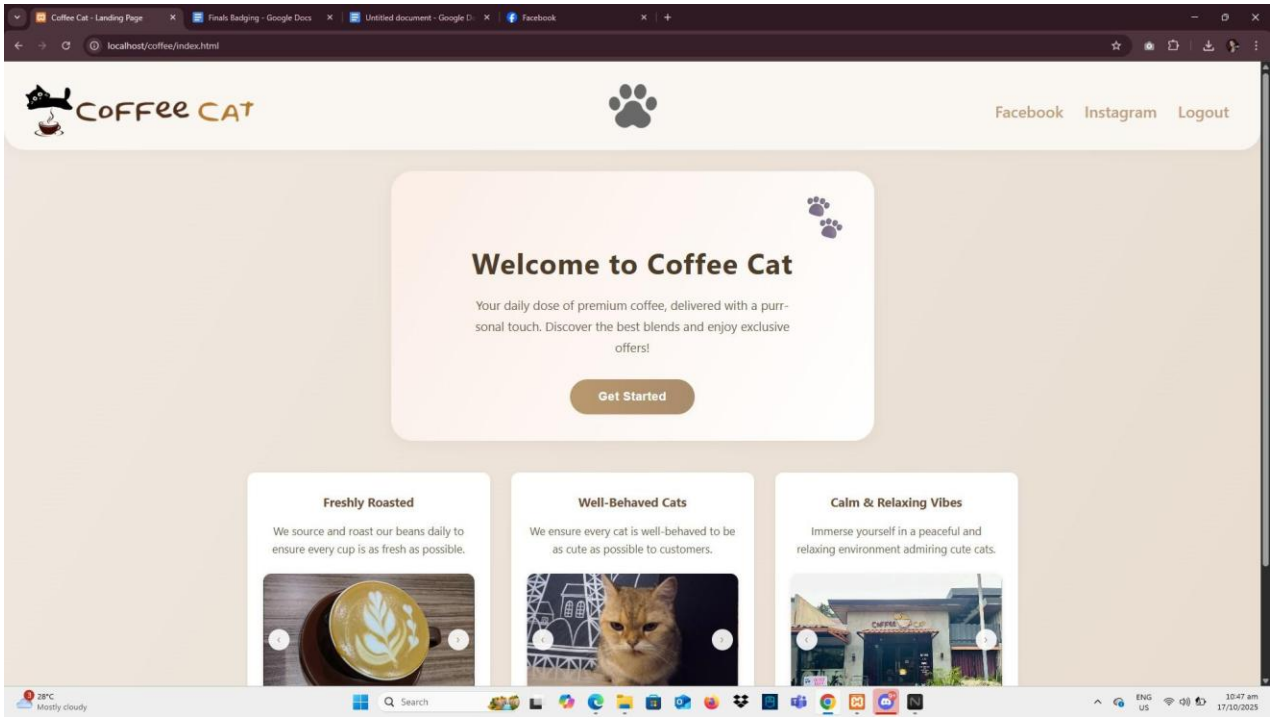
After completing the form, click Submit. A notification will appear confirming that your account has been successfully created.



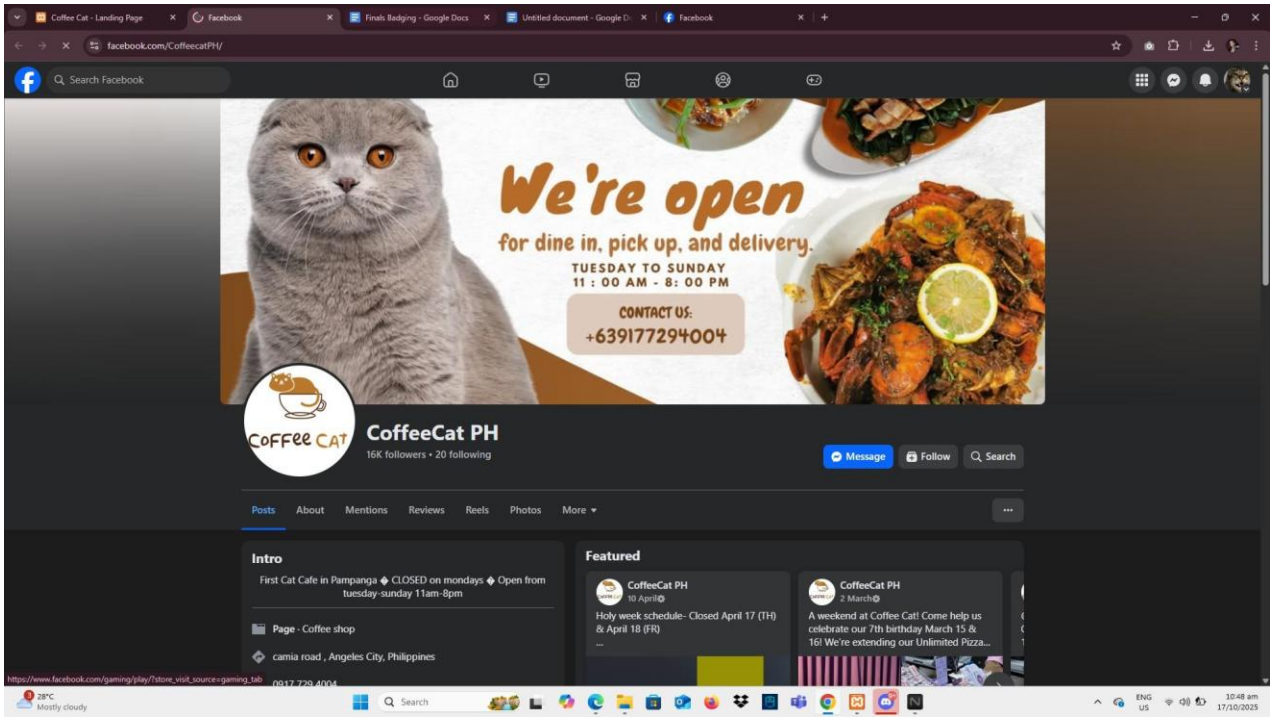
Once done, click Login and enter your username and password.

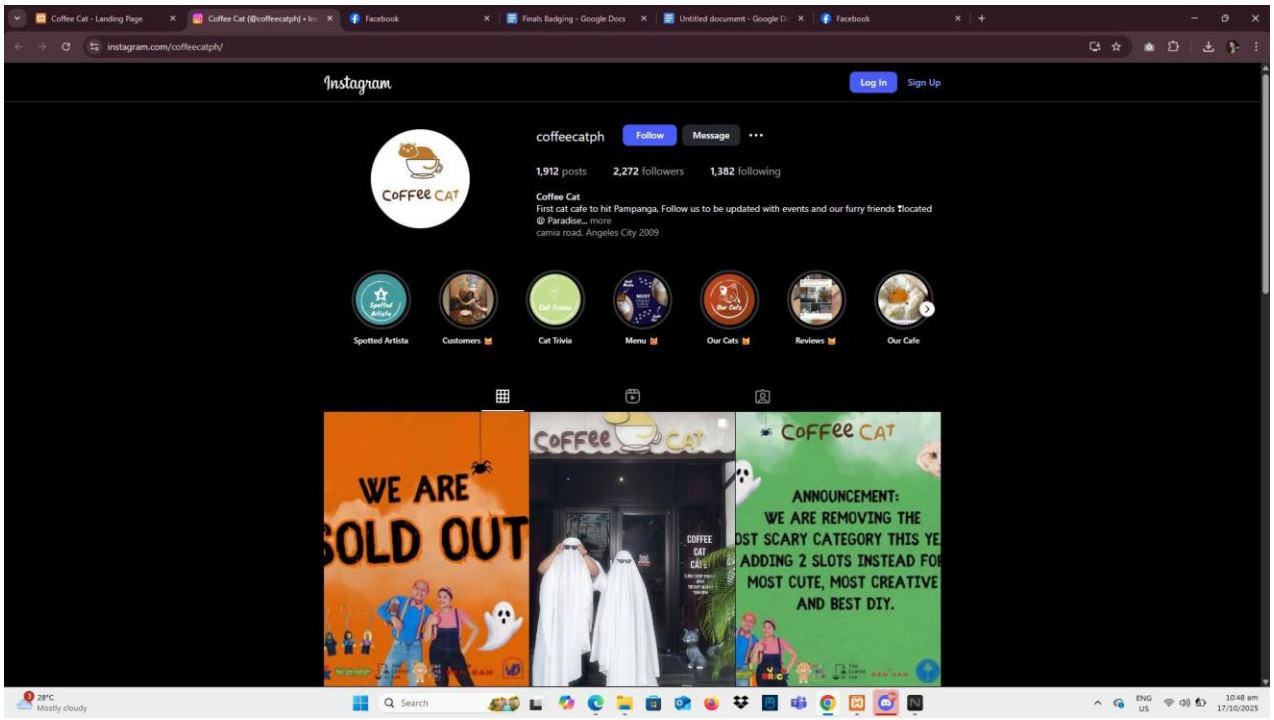


After logging in, you will be directed to the Home Page

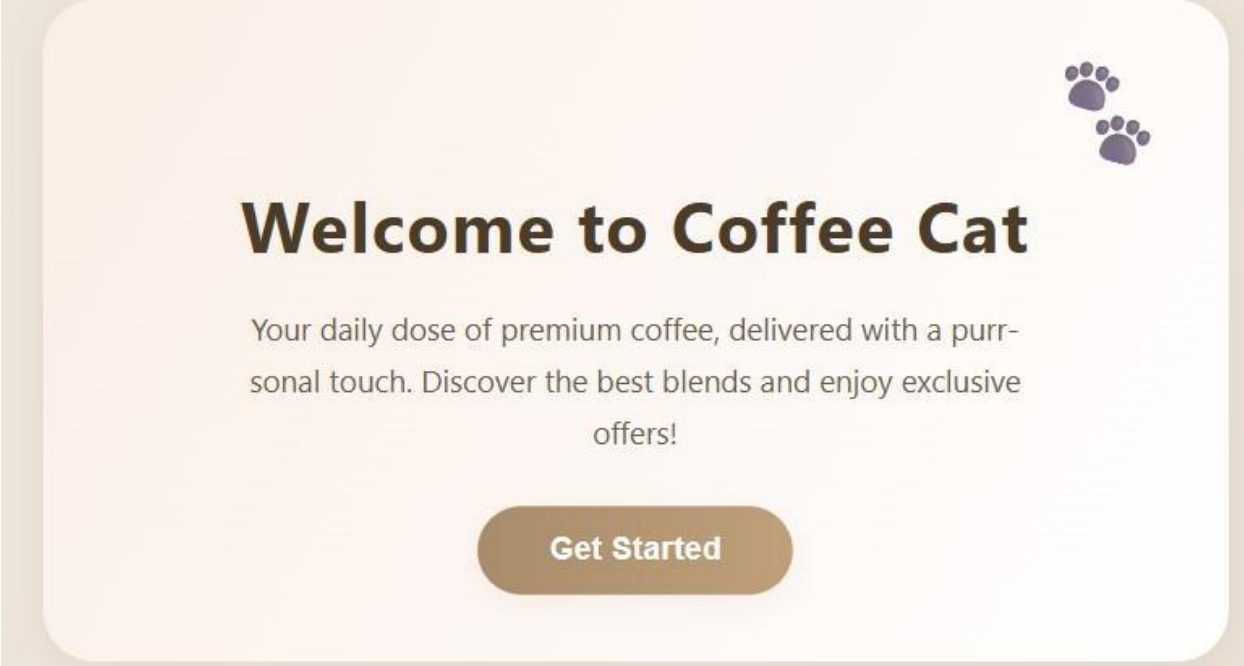


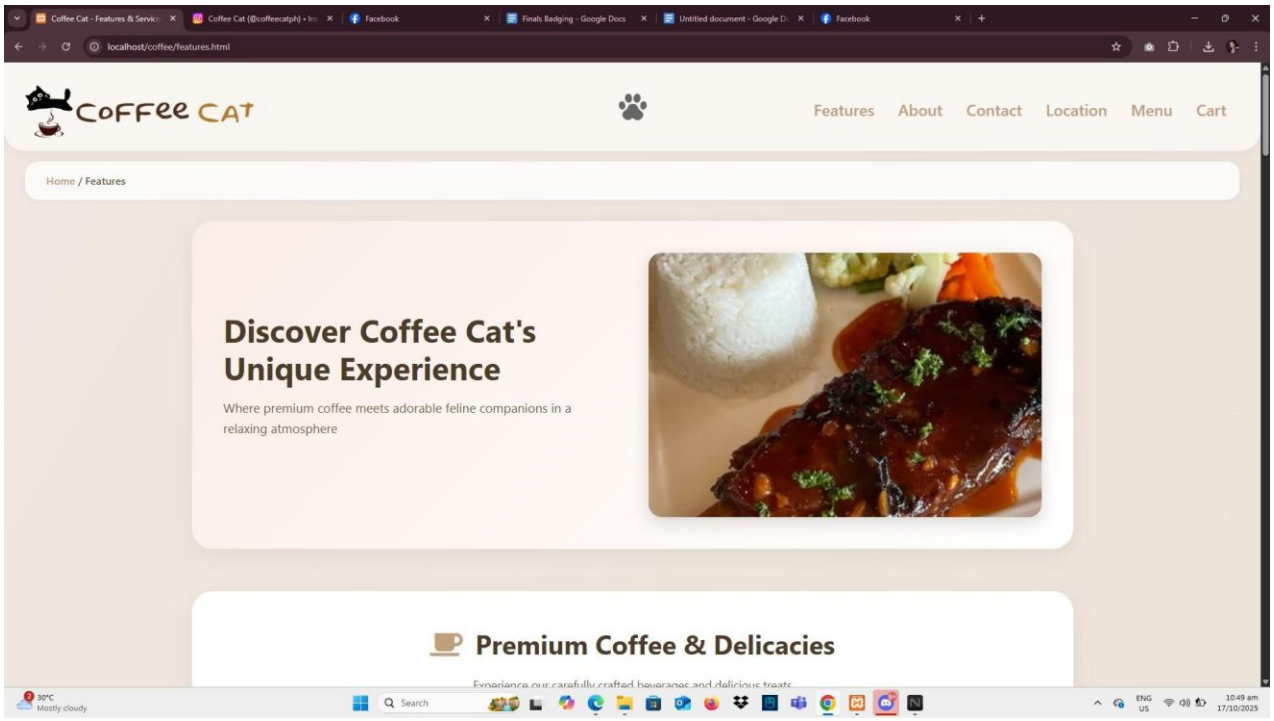
If you click Facebook, it will take you to Coffee Cat’s official Facebook page. The same goes for Instagram.



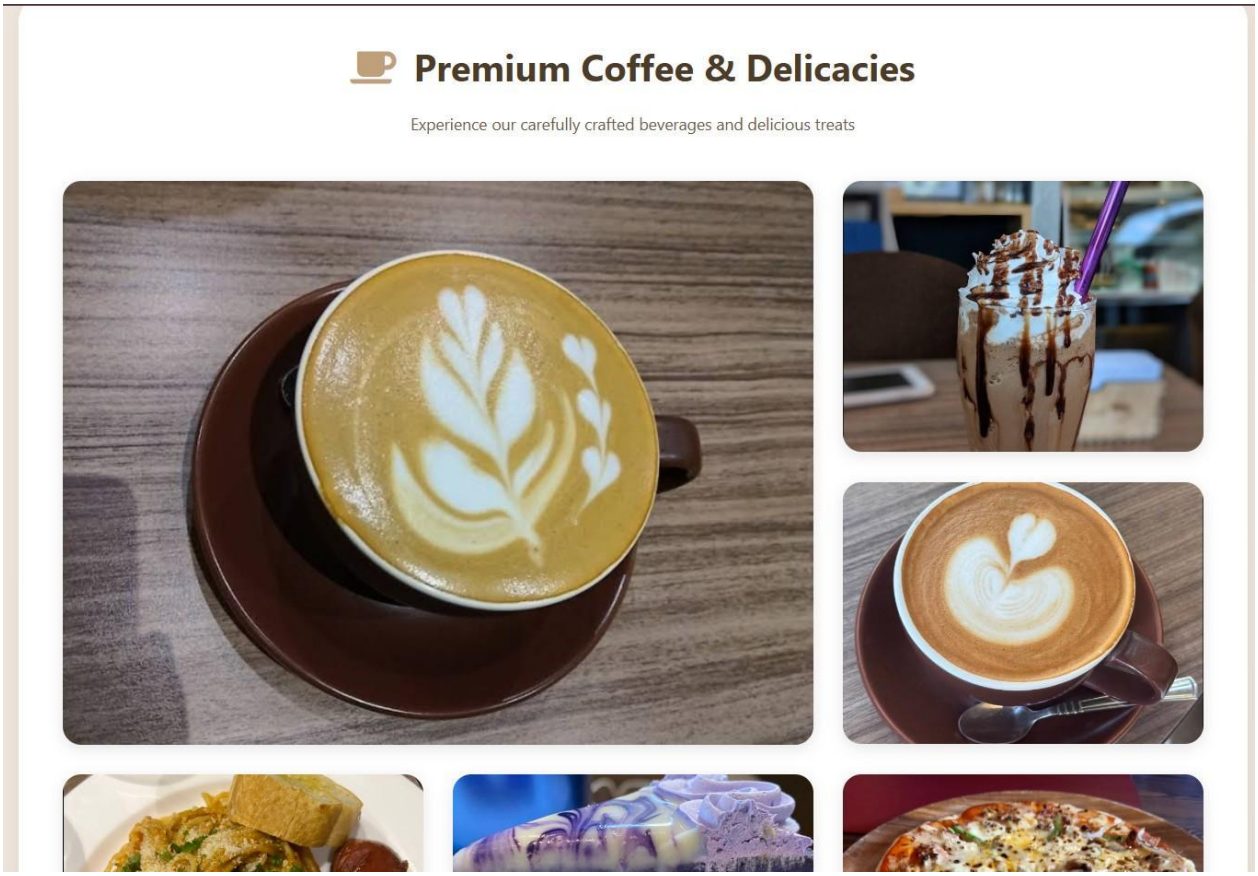


To explore more features, click Get Started this will take you to the Features Page.

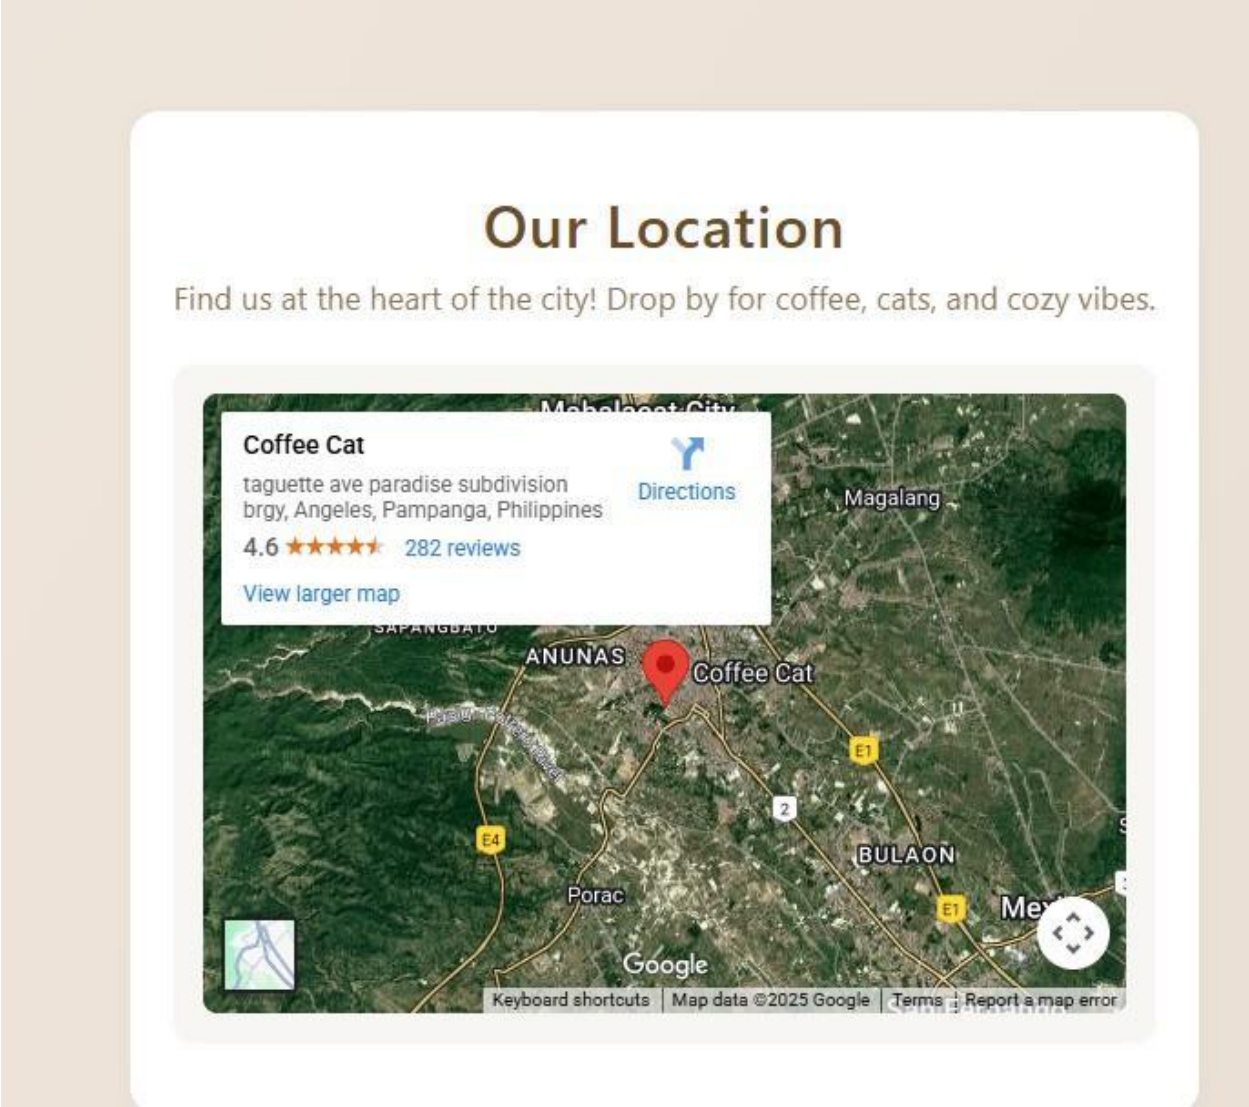




Scroll down the Features Page to see all the information about Coffee Cat, including what we offer.



If you wish to visit Coffee Cat in person, scroll to the bottom of the page. There you will find a “Visit Us” button. Clicking it will show the shop’s exact location and address



If you wish to visit Coffee Cat in person, scroll to the bottom of the page. There you will find a “Visit Us” button. Clicking it will show the shop’s exact location and address

Home / About
Welcome to Coffee Cat Café!
Coffee Cat Café is a cozy haven where coffee lovers and cat enthusiasts unite. Nestled in the heart of the city, our café offers a unique experience: enjoy premium coffee and delicious treats while spending time with our adorable resident cats.
Our Story
Founded in 2018 by a group of passionate animal lovers, Coffee Cat Café was inspired by the desire to create a relaxing space where people can unwind, connect, and support animal welfare. Our mission is to provide a safe and loving environment for rescue cats while offering a memorable café experience for our guests. The cats were adopted when they were just kittens and some were rescued.

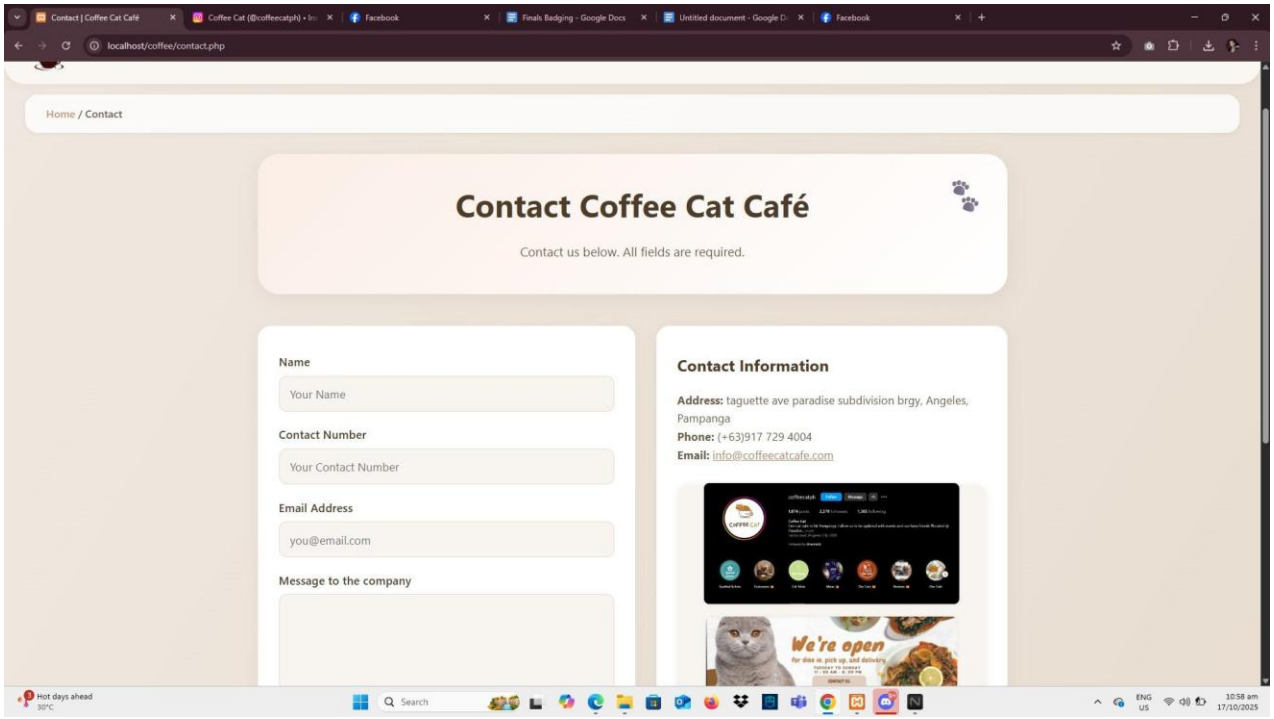
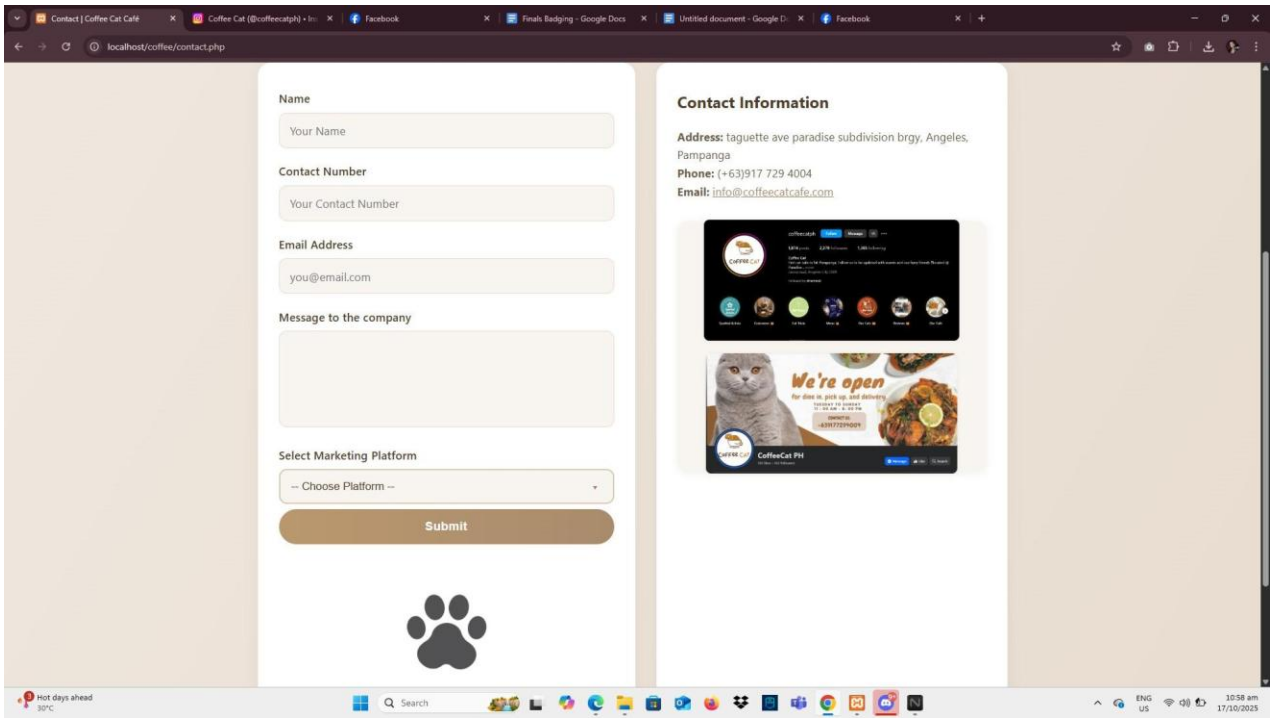
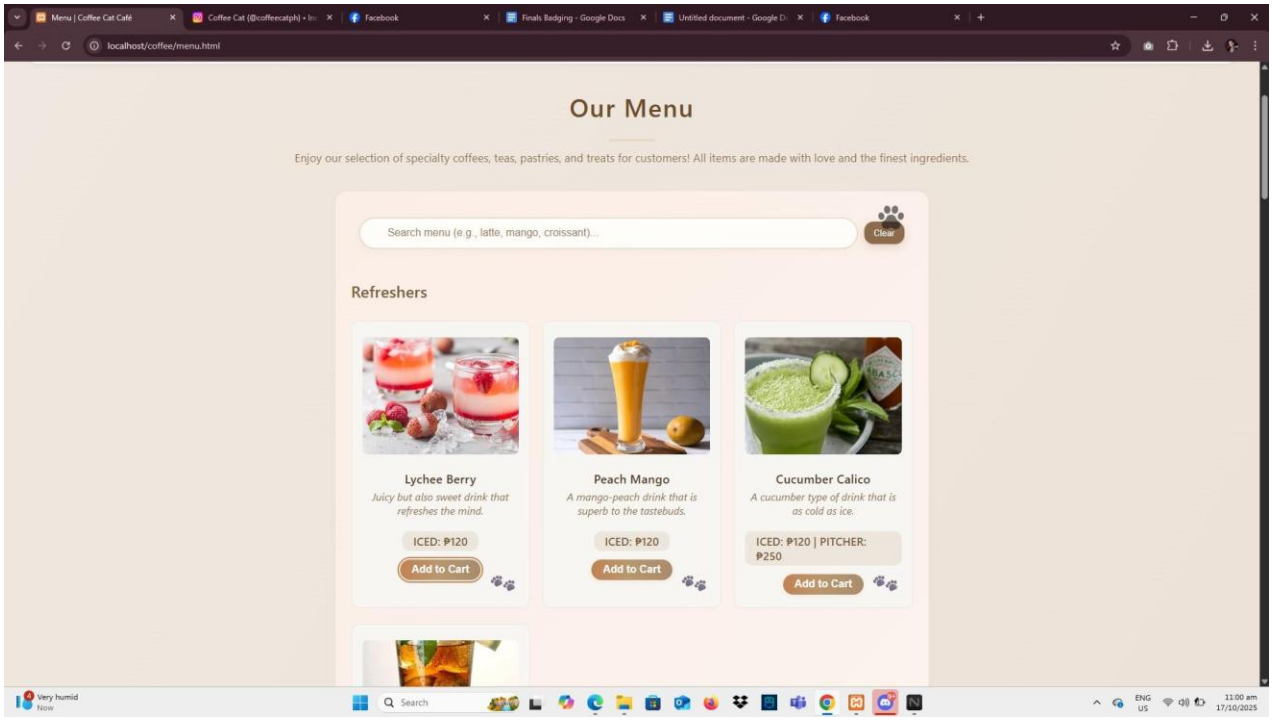
If you wish to get in touch with Coffee Cat, go to the Contact Page.
Fill out the required information, or reach out to us through the phone number Provided. You may also contact us via our Facebook or Instagram pages

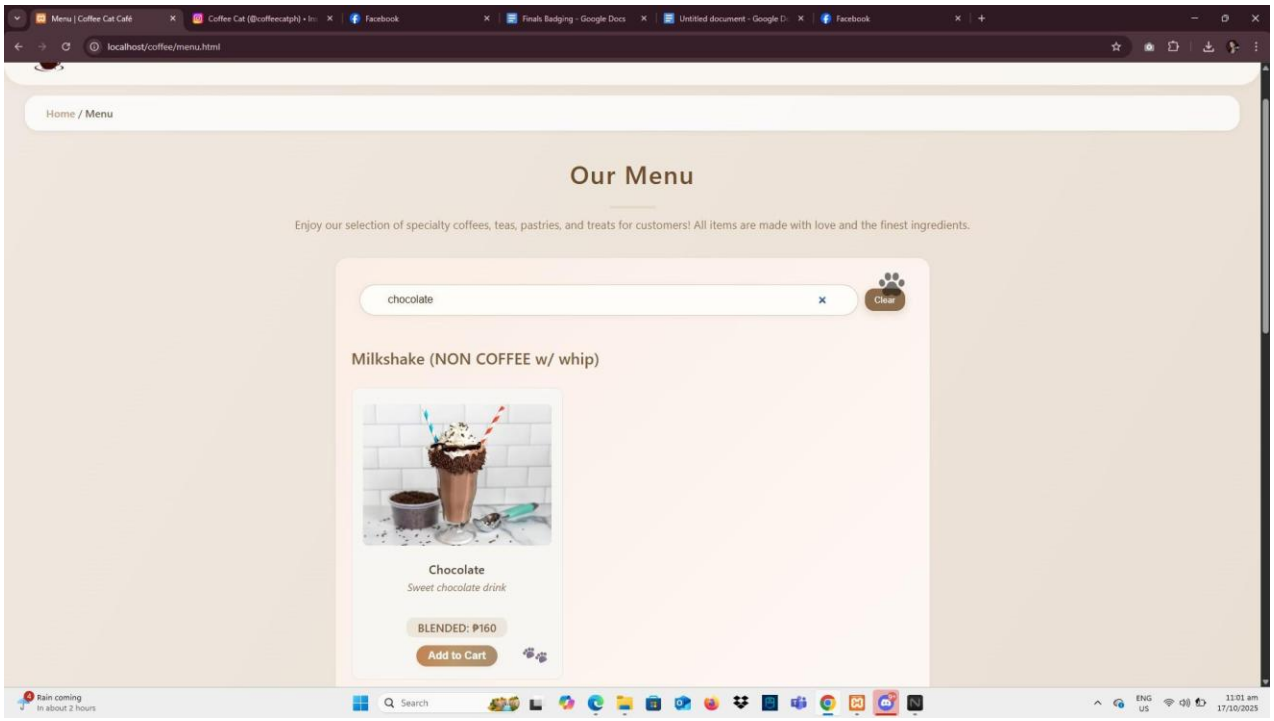




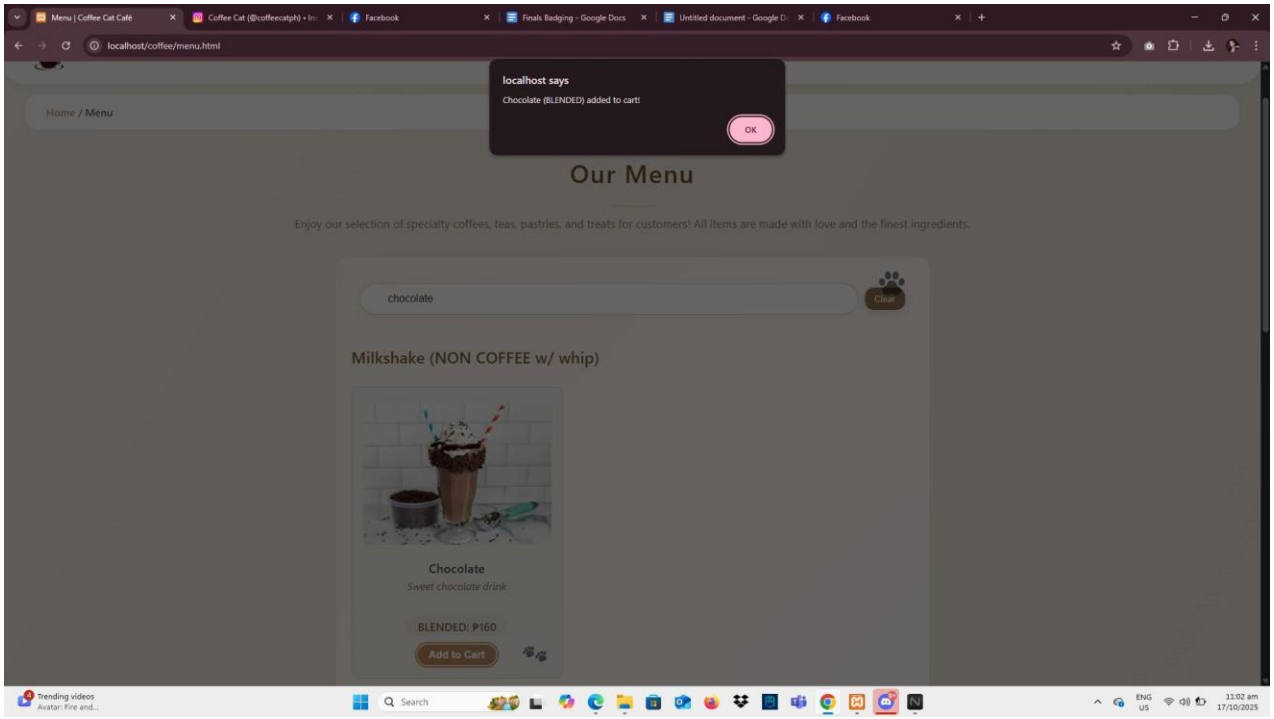
If you want to order fresh beverages or coffee, visit the Menu Page.
Here, you can browse different kinds of drinks and side dishes.



Use the search bar to quickly find your preferred item.

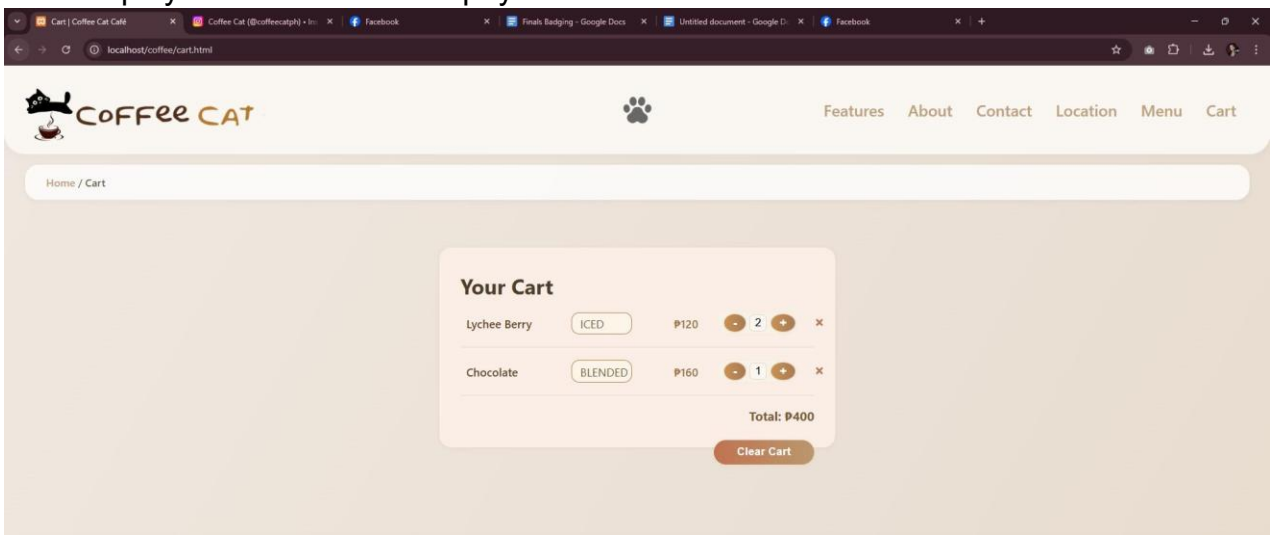


Once you've selected an item, click Add to Cart a message will confirm that your order has been successfully added.

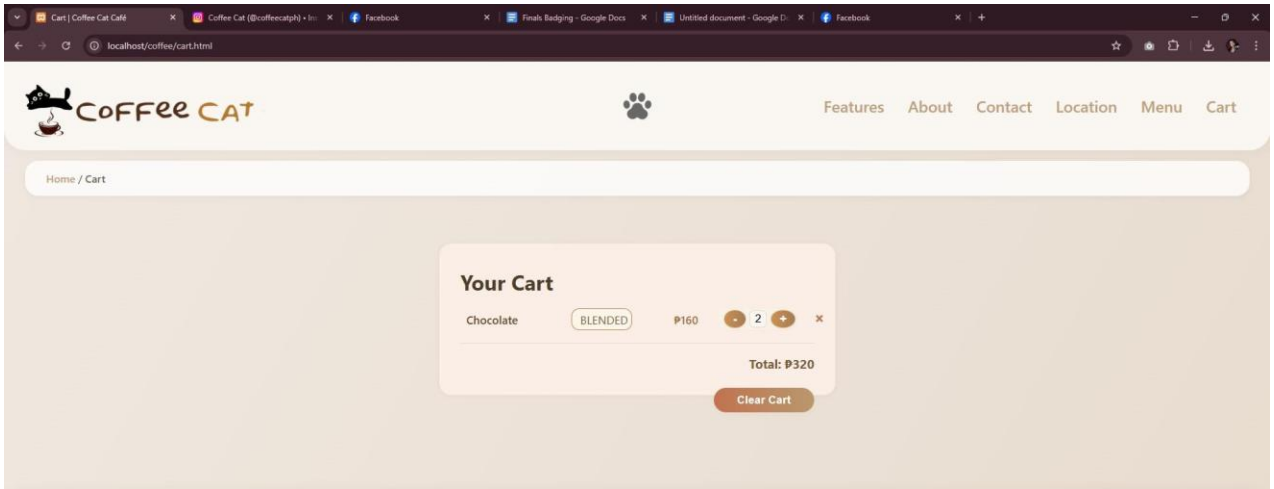


When you're done selecting items, go to the Cart Page to review your order.

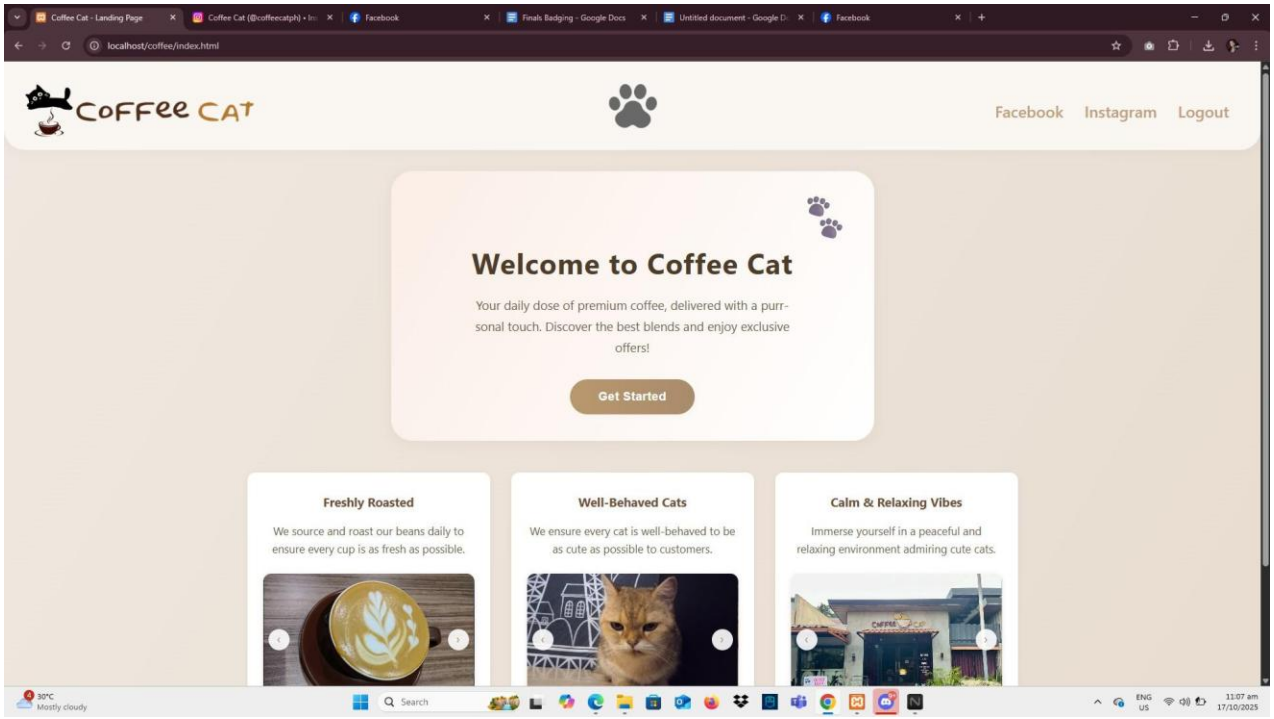
It will display the total amount to pay.



If you wish to remove an item, click the "X" button.
You can also increase or decrease the quantity using the "+" or "–" buttons.



When you're finished, click the Coffee Cat logo to return to the Home Page.



For the admin privileges in viewing products, customer information, and contact us messages, the admin can just view the user interface of those information by typing product_result.php, customer_result.php, or message_result.php. In the product and message results, both are static websites, information cannot be edited unless the programmer directly edits the json file where the information are stored. For the customer results, the admin can add, delete, edit, and reset. These are the results after searching it:
